

# Strangers In The Night

Paul Anka

Strangers in the night exchanging glances  
Wond'ring in the night what were the chances  
We'd be sharing love before the night was through

Something in your eyes was so inviting  
Something in your smile was so exciting  
Something in my heart told me I must have you

Strangers in the night  
Two lonely people, we were strangers in the night  
Up to the moment when we said our first hello  
Little did we know  
Love was just a glance away  
A warm embracing dance away

Ever since that night we've been together  
Lovers at first sight, in love forever  
It turned out so right for two strangers in the night

Love was just a glance away  
A warm embracing dance away

And ever since that night we've been together  
Lovers at first sight, in love forever  
It turned out so right for strangers in the night

Yes, it turned out so right for strangers in the night

In the night
