

Falling

Paul Baloche

VERSE 1

I would like to walk this world with You, Always
Never want to be apart from You, O Lord
I am sometimes overwhelmed by Truth and Your ways
Could it be that I was made for You, I'm blown away

CHORUS

I am falling,
I am Falling in love,
I am folling in love,
I am Falling in love with You

VERSE 2

Would You stay and listed for a while, please stay
And let me talk of how You make me smile, Oh...
I would like to leave it all behing, my ways
But I get caught up in myself sometimes
All I can say

CHORUS....
