

# Marvelous Things

Paul Baloché

[Verse 1: Paul Baloché]

You have done marvelous things  
Bore the whole world's sin  
Let Your people sing You're worthy  
You hold the stars in place  
Stir the ocean's waves  
Over all You reign, almighty

[Chorus: Paul Baloché]

Worthy  
Only You are worthy  
To receive all glory  
Only You have died and rose again  
Worthy  
May You find us worthy  
Covered by Your mercy  
Lifting up our hearts to You in praise  
For You have done marvelous things

[Verse 2: Kari Jobe]

You tell the storm "be still"  
And we know it will  
For You never fail  
You're worthy  
You cause our hopes to rise

Raise our hearts to life  
We will lift You high, almighty

[Chorus: Paul Baloché & Kari Jobe]

Worthy  
Only You are worthy  
To receive all glory  
Only You have died and rose again  
Worthy  
May You find us worthy  
Covered by Your mercy  
Lifting up our hearts to You in praise  
Worthy  
Only You are worthy  
To receive all glory  
Only You have died and rose again  
Worthy  
May You find us worthy  
Covered by Your mercy  
Lifting up our hearts to You in praise  
For You have done marvelous things  
Lord, You have done marvelous things
