

The Kingdom of God

Paul Baloche

With great endurance, Lord
I'm gonna run this race
Pressing toward the goal
I will follow You with eyes of faith
You're training these hands for war
You're showing me how to fight
Standing on the Word
Taking up the sword of truth and life

The Kingdom of God, the Kingdom of God is here
We believe the calling is urgent
The Kingdom of God, the Kingdom of God is here
We're alive for something eternal
We're gonna fight the good fight
Givin' it all for the Savior's sacrifice (Hey!)

Teach me to walk in love
Shine as a light in me
Even in the dark
I will live to be Your hands and feet
I wanna see like You
So open my eyes I pray
Lead me to the lost
Send me for the glory of Your name

The Kingdom of God, the Kingdom of God is here
The Kingdom of God, the Kingdom of God is here
The Kingdom of God, the Kingdom of God is here
The Kingdom of God, the Kingdom of God is here
