

# Wonderful God

Paul Baloche

Amazed and overwhelmed  
At how Your mercy fell  
And changed a heart as hard as mine

I tried to turn away  
Deny the hand You gave  
But You refused to leave my side

Wonderful God  
Wonderful God  
Wonderful Savior  
Wonderful love

Who could compare?  
None can be found  
Wonderful Savior  
Wonderful God

Undeserving grace  
Stole my heart away  
Forever I am Yours, my King

The beauty of Your strength  
Draws me once again  
To stand before You now and sing

You said You'd never leave me  
And You never did  
You say I have a future  
And there's a life for me to live

Lord I wanna praise You  
And say wonderful God  
Wonderful God

Wonderful Savior  
Wonderful God
