

Try Me One More Time

Paul Brady

Baby, we been around this thing
Oh, so many many times
And every time I promise
I know I still keep gettin' outta line

I don't know why you love me
Please say you will forgive me

(Baby, give me one more try)
Believe me when I tell you that I love you
(Baby, give me one more try)
Believe me I'm sorry
Open up my eyes
Try me one more time

Baby, you put your trust in me
And I turn around and I let you down
I look at my reflection
I know I'm staring at a clown

You say it's never ending
This time I'm not pretending

(Baby, give me one more try)
I don't know what I'm gonna do without you
(Baby, give me one more try)
Don't walk away, don't walk away
Open up my eyes
Try me one more time

Please don't walk away
I wouldn't last a single day
Believe me when I promise you, baby
I really can change

(Baby, give me one more try)
Believe me when I tell you that I love you
(Baby, give me one more try)
Don't walk away, don't walk away
Open up my eyes
Try me one more time
