

# Cry If You Want To

Paul Brandt

Cry if you want to  
I won't tell you not to  
I won't try to cheer you up  
I'll just be here if you want me

There's no use in keeping  
A stiff upper lip  
You can weep you can sleep  
You can loosen your grip  
You can frown, you can drown,  
and go down with the ship, you can  
Cry if you want to

Don't ever apologize venting your pain  
It's something to me you don't need to explain  
I don't need to know why  
I don't think it's insane, you can  
Cry if you want to

The windows are closed,  
The neighbors aren't home  
If it's better with me than to do it alone,  
I'll draw all the curtains and unplug the phone, you can  
Cry if you want to

You can stare at the ceiling and  
Tear at your hair  
Swallow your feelings and stagger and swear  
You can show things and throw things  
And I wouldn't care, you can  
Cry if you want to

No, I won't make fun of you  
I won't tell anyone  
I won't analyze what you do or you should have done  
I won't advise you to go and have fun, you can  
Cry if you want to

Well it's empty and ugly and terribly sad  
I can't feel what you feel, but I know it feels bad  
I know that it's real and it makes you so mad  
You could cry

Cry if you want to  
I won't tell you not to  
I won't try to cheer you up  
I'll just be here if you want me to be near you
