

Amazing

Paul Carrack

Yes it's amazing what love can do sometimes

When I think about it, we've come a long, long way
Living life together, keeping it real every day
I was driving down the road to nowhere
And no one else on earth seemed to care
Every time I turned you were there
For me

And yes it's amazing what love can do sometimes
Yes it's amazing what love can do, I've seen it with my own eyes
It's amazing what love can do sometimes

People used to tell me Rome wasn't built in a day
It was made to last forever, our love was made the same way
Every day I take a good look around
Trying to keep my feet on the ground
And appreciate the love that I've found
With you

Because it's amazing what love can do sometimes
Yes it's amazing what love can do, now I realized
It's amazing what love can do sometimes

Long as the world keeps turning
Love will always succeed
'Cause where there's a will there's way
If you want it to be

I wake up with a smile on my face
Everything in life is in place
The future is ours to embrace

Oh, it's amazing what love can do sometimes
Yes it's amazing what love can do, I've seen it with my own eyes
It's amazing what love can do sometimes
It's amazing what love can do sometimes
It's amazing what love can do sometimes
