

Better Than Nothing

Paul Carrack

Thinking on now How I feel
I got a rough thing On a lousy deal
Heaven knows I'm not a greedy man
If I can't have all your love I'll get what I can

Better than nothing I can't deny
Better than nothing A-poke in the eye
Better than nothing Just a little taste
Better than nothing Won't go to waste

There's no use crying Because I guess
There's a lot of people Making do it less
It makes no sense now To cry and plea
If I can have all your love I'll get what I need

Better than nothing I can't deny
Better than nothing A-poke in the eye
Better than nothing Just a little taste
Better than nothing Won't go to waste

There's got to be a whole better way
I can't get my head around this living day to day
Buying time is all I can do
Right now every second I can spend with you

Better than nothing I can't deny
Better than nothing A poke in the eye
Better than nothing Just a little taste
Better than nothing Won't go to waste

Better than nothing
Better than nothing
Better than nothing
Better than nothing

There's got to be a whole better way
I can't get my head around this living day to day
Buying time is all I can do
Right now every second I can spend with you

Better than nothing I can't deny
Better than nothing A-poke in the eye
Better than nothing Just a little taste
Better than nothing Won't go to waste

I can't deny
Poke in the eye
Just a little taste
Won't go to waste
