Double It Up

Paul Carrack

Hey!

Yeah, I'm breathing, I want more, if you got it, yeah you let i
t go

Double it up, light your loving flame
But don't let your repetition spoil our recondition
Double it up, double it up

Keep it coming, don't hold back, big time baby, from my rhythm
track

Double it up, girl, you've had it all
I don't want you to cease it, try some to increase
Double it up, double it up

Well, I went to see the gypsy to roll right back in line
Well, across upon a silver, you get me that hat

Double it up, girl, you've had it all
Don't try to defy it, add all and multiply it
Double it up, now double it up, hey!

Well, I went to see the gypsy to roll right back in line
Well, across upon a silver, you get me that hat

Double it up, girl, you've had it all
I said don't try to defy it, add all and multiply it
Double it up, now double it up

Double it up, double it up, double it up, double it up
Double it up, double it up, double it up, double it up
Double it up, double it up, double it up, double it up, double
it up
