

Frim Fram Sauce

Paul Carrack

Don't want French fried potatoes
Red ripe tomatoes
I'm never satisfied
I want the frim fram sauce with the Ausen fay
Chafafa on the side

Don't want pork chops and bacon
That won't awaken
My appetite inside
I want the frim fram sauce with the Ausen fay
Chafafa on the side

Now a fellas got to eat
A fella must eat right
Five will get you ten
I'm gonna feed myself right tonight

Don't want fish cakes and rye bread
You heard what I said
Waiter, make mine fried
I want the frim fram sauce with the Ausen fay
Chafafa on the side

I want the frim fram sauce with the Ausen fay
Chafafa on the side

I want the frim fram sauce with the Ausen fay
Chafafa on the side

Now a fellas got to eat
A fella must eat right
Five will get you ten
I'm gonna feed myself right tonight

Don't want fish cakes and rye bread
You heard what I said
Waiter, make mine fried
I want the frim fram sauce with the Ausen fay
Chafafa on the side
The frim fram sauce with chafafa on the side
