

Got to Get You Off My Mind

Paul Carrack

I gotta get you off of my mind
I know it's just a matter of time
You've found somebody new
And our romance is through
Listen, baby

I'm gonna throw your picture away
You didn't love me any old way
You've found somebody new
Our romance is through
Listen, baby

Now, some folks' love is hard and strong
That's the kind of love that lingers on
Some folks' love is swift and fast
That's the kind of love that will never last

I gotta get you off of my mind
I know it's just a matter of time
You've found somebody new
And our romance is through
Yeah, listen, baby

We had a love that was in-between
And to me it was just like a dream
If we had stayed together 'til June
Not a problem: bride and groom

That's why
Some day this old heart of mine
Is gonna find a love that make me shine
Shine like diamonds and gleam like gold
And I'll find someone who can rock my soul

I've gotta get you off of my mind
I know it's just a matter of time
You've found somebody new
And our romance is through
Listen to me

I've gotta get you off of my mind
Drive me crazy
I need to forget all about it

Well, some day this old heart of mine
Is gonna find a love that make me shine
Shine like diamonds, gleam like gold
I'll find someone who can rock my soul

Gotta get you off of my mind
Lock the hole, just a matter of time
You've found somebody new
And our romance is through

Gotta get you off of my mind
I know it's just a matter of time
You've found somebody new

And our romance is through

Our romance is through

Our romance is through
