

# Marie

Paul Carrack

You looked like a princess the night we met  
With your hair piled up high I will never forget  
I'm drunk right now baby but I've got to be  
I never could tell you what you mean to me

I loved you the first time I saw you  
And I always will love you Marie  
I loved you the first time I saw you  
And I always will love you Marie

The song that the trees sing when the wind blows  
You're a flower, you're a river you're a rainbow  
Sometimes I'm crazy but I guess you know  
I'm weak and I'm lazy and I hurt you so  
And I don't listen to a word you say  
And when you're in trouble I turn away

But I loved you  
I loved you the first time I saw you  
And I always will love you Marie  
I loved you the first time I saw you  
And I always will love you Marie
