

# Perfect Storm

Paul Carrack

There was a time  
Everything was so easy  
We were doing just fine  
Without a worry or care in the world

Sometimes in life  
Trouble can be just around the corner  
Then out of the blue  
Suddenly you get a wake-up call

No word of a life, my good intention  
We're coming apart at the seams  
And without a friend or divine intervention  
Who knows what might have been

I was alone  
Caught in a perfect storm  
But I was saved by the cover of angels  
Sent from above

So far from home  
Caught in a perfect storm  
I prayed for my soul to the heavens above  
For the power of love  
The power of love

To tell you the truth

I was a fool to follow so blindly  
Until you shone light  
On a life I never knew

You opened up my eyes  
And now I see clearly  
Everything I do is all down to you  
In a wake-up call

You've got to believe  
I've never done nothing  
After they think such a thing  
Yes I was a fool  
But now I know better  
I could've lost everything

I was alone  
Caught in a perfect storm  
But I was saved by the cover of angels  
Sent from above

So far from home  
Caught in a perfect storm  
I prayed for my soul to the heavens above  
For the power of love  
The power of love

The power of love
