Question

What is the price of happiness?  
How can I find me love?  
Where can I sell my heartache?  
What do I pay for love?

Where could I get me a good night sleep  
Trade off my trouble and pain?  
How long does it take to realize  
Love is a priceless thing?

Oh, I know you can't buy love  
If you're rich with diamonds and gold  
Heartache will come around freely  
Knock on anybody's door
