

Take Me

Paul Carrack

Take me, take me to your darkest room
Close every window and bolt every door
The very first moment I heard your voice
I'd be in darkness no more

Take me to your most barren desert
A thousand miles from the nearest sea
The very moment I saw your smile
Would be like heaven to me

There's not any mountain too rugged to climb
No desert too barren to cross
And, darling, if you would just, just show me a sign of love
I could bear any loss

Take me to Siberia
In the coldest weather of the winter time
And it would be just like spring in California
As long as I knew you were mine

There's not any mountain too rugged to climb
No desert too barren to cross
Oh, darling, if you would just show me a sign of love
I could bear any loss

Take me to Siberia
The coldest weather of the winter time
And it would be just like spring in California
Long as I knew you were mine

Yes
It would be just like spring in California
Long as I knew you were mine
