

The Only Thing Missing Is You

Paul Carrack

Hello, baby
I know that you're worried
I know it's late
But there's something I had to do
I stopped by the place
Where I first saw your face

They're still playing love songs
They're still playing our song
And the only thing missing is you
Oh, is you

Well, our old table
Still sits in the corner
And the jukebox plays
Our favorite tunes
So call a babysitter
Let's party like we used to do

They're still playing love songs
They're still playing our song
But the only thing missing is you

I see a few old familiar faces
And a few of your old friends are here too
And the only thing missing is you

They're still playing love songs
They're still playing our song

Baby, get ready
I'm on my way coming to get you
Put on your party clothes
And I'll see you soon
Baby, don't forget
Put on your dancing shoes
Yeah 'cause

They're still playing love songs
They're still playing our song
And the only thing missing is you

Still playing love songs
Missing is you
Still playing love songs
Said the only thing missing is you
Still playing love songs
Only thing missing, baby
Still playing love songs
Yes, the only thing missing
The only thing missing
The only thing missing is you
