

Trust in Me

Paul Carrack

Trust in me in all you do
Have the faith I have in you
And love will see us through
If only you trust in me
Yeah yeah

Come to me when things go wrong
Cling to me, baby, and I'll be strong
Oh we can get along
Only you trust in me

While there's a moon, up on high
While there are birds, birds to fly
While there is you, you and I
I can be sure, I love you, oh

Stand beside me all the while
Come on, baby, why don't you smile?
Trust in me, I'll be worthwhile
Why don't you trust in me?
Oh yeah

While there's a moon, up on high
While there are birds, birds to fly
While there is you, you and I
I can be sure that I love you

Oh, trust in me in all you do
Have the faith I have in you
And love will see us through
Why don't you trust in me?
Yeah yeah

Trust in me in all you do
Have the faith I have in you
And love will see us through
Only you trust in me

Trust in me, baby
Why don't you trust in me?

Trust in me
