

# Where Did I Go Wrong?

Paul Carrack

where did i go wrong  
it's a mystery to me  
where did i go wrong  
and how could it be

to much information comming from everywhere  
ooh but there's no one who can tell me why life can be  
so unfair  
i try to give you all a woman could need  
but if it's not enough  
will you be so kind won't you tell me pleas

where did i go wrong  
it's a mystery to me  
where did i go wrong  
tell me how could it be

the more i think about it  
it just don't make any sense  
i feel like i'm standing here accused  
alone with no defense  
each accusation had me searching my mind  
putting the pieces together  
i'm looking for clues there so hard to find

where did i go wrong  
it's a mystery to me  
where did i go wrong  
how could it be

i tried to give you all a woman could need  
but if that's not enough  
won't you be so kind won't you tell me pleas

where did i go wrong  
it's a mystery to me  
where did i go wrong  
and how could it be
