

Angel

Paul Cauthen

Go
Pack a car and head to the coast
Know that I think about you most
You never rained on me
Never been so pure
Watching every step I take
Cause I don't wanna make the mistake
With a girl like you

Oh, angel
I think I love you
Angel
I think I love you

Wait
This isn't just another date
We both agree that love'll be fate
Girl, tell me how you feel
You know we
Have a lotta life to live
But we won't have much to give
If we deny what's real

'Cause angel
I think I love you
Angel
I think I love you

You're a fighter, not a one-night
Oh, I hope to be a bird walkin' on your wire
But I'm fallin' deep into your fire now
Fallin' in your halo now
Fallin' in your halo now

Finish show, [?]
Get a job and rake in the dough
Find a man to let you know
How beautiful you are
He'll say, angel
I think I love you
Angel
Oh, I love you
Angel
Oh, I love you
Angel
Oh, I love you

You're a fighter, not a one-night
Oh, I hope to be a bird walkin' on your wire
But I'm fallin' deep into your halo now
You're a fighter, not a one-night
Oh, I hope to be a bird walkin' on your wire
But I'm fallin' deep into your halo now
Deep into your halo
Halo

Angel

I still love you
