

# Lay Me Down

Paul Cauthen

May be gone before the morn  
See you on the other side  
Come see me on the other side  
I was gone in a storm  
I guess I was out of time  
Come see me on the other side

Just another mile down the line  
Lay me by the water's edge  
Just a little farther along  
You'll know that you'll find a home

Oh, we walked them streets before  
Or maybe as a child  
Maybe yesterday  
Keep on knocking on them doors  
Come see me on the other side  
I'll see you on the other side

Just another mile down the line  
Lay me by the water's edge  
Just a little farther along  
You'll know that you'll find a home

Just another mile down the line  
Lay me by the water's edge  
Just a little farther along  
You know that you'll find a home  
You're just another mile down the line  
Oh, lay me by the water's edge  
Oh, just a little farther along  
You will know that you'll find a home  
Oh, we'll know that we found a home

I'll see you on the other side  
I'll see you on the other side  
See you on the other side
