

Let It Burn

Paul Cauthen

In my mind I'll always see you
I'll always feel you standin' there
With the same cotton dress you wore when I first met you
I recall the sunlight in your hair

Can a dream break your heart?
Can it tear your world apart?
Let the flame light the fire
Let it burn through wild desire
Let it burn
Let it burn
Let it burn

In my life I know I'll miss ya
All the times I should've kissed ya
Locked away in some old drawer
It takes time to mend a soul
And we've both been growin' old
And you don't live here anymore

Can a dream break your heart?
Can it tear your world apart?
Let the flame light the fire
Let it burn through wild desire
Let it burn
Let it burn
Let it burn
Let it burn

Let it burn
Let it burn
Let it burn, let it burn, let it burn
Go on and let it burn
Let it burn
Let it burn, let it burn, let it burn
Go on and let it burn
Let it burn
Let it burn, let it burn, let it burn
