Till The Day I Die

Paul Cauthen

```
Hey gorgeous
You're everything to me
And you don't even know me
Any more than I know you
Two strangers
Locking eyes in a big city room
One was me and one was you
And right then, that's when I knew

Through the downs and ups
I'm talking 'bout forever
Baby, I'll be yours
Cross our hearts together
Keep the spark alive
'Til we're in the sky
Gonna love you every day and night
'Til the day I die
'Til the day I die

Ain't nothin'
Ever gonna mess us up
Ever gonna come between us
I can promise you that
I know it's dangerous
Leavin' everything you know
Gettin' in way too close
But, baby, don't be scared

Through the downs and ups
I'm talking 'bout forever
Baby, I'll be yours
Cross our hearts together
Keep the spark alive
'Til we're in the sky
Gonna love you every day and night

For better or for worse
For everything I stand for
Lay it on the line
Out here on the dance floor
'Til the end of time
I promise you that I'm
Gonna love you every day and night

'Til the day I die
'Til the day I die
'Til the day I die
'Til they lay me in my grave
'Til my soul floats to the sky and I fly away
'Til the day I die
'Til the day I die
'Til the day I die
