

# I Never Heard the Song at All

Paul Davis

Could you speak a little louder  
'Cause I thought I heard you say  
That you need me  
And you're coming back to stay  
I guess it's harder  
To say what's on your mind  
When you haven't told  
The truth at any time  
And now it's time to divide  
You take what's yours  
And I'll take mine  
Is it all that great without me?  
I really want to know  
Was it easy to forget me?  
'Cause your eyes are saying no  
Did you find a broken rainbow  
With an empty pot of gold?  
Well, if it's all that great without me  
Then I'm glad you let me go  
I don't mean to sound so vengeful  
Or to hit you when you're down  
But you took my house of dreams  
And burnt it to the ground  
And now you say you're really sorry  
Well, that's really nice to hear  
But where were you  
When everything we had  
Got up and disappeared?  
And now it's time to let go  
Walk through that doorway  
And let it close  
When you walk into the sun  
And turn your back on everyone  
Well, the world keeps spinning  
Round and round  
And what you had is gone
