

# Cloud Rider

Paul Kalkbrenner

Busting up on a cloud, shout out loud  
You're the one for me  
With your love by my side  
The world will be mine  
You're the one for me

With this true love I found  
Picks my feet up off the ground to fly away  
With this true love my dear  
Takes away my every fear, don't go away

Busting up on a cloud, shout out loud  
You're the one for me  
With your love by my side  
The world will be mine  
You're the one for me

I'm riding on a cloud  
Got to shout it out loud, you're my all  
Baby, hold on tight  
For the rest of my life, don't let me fall

Busting up on a cloud, shout out loud  
You're the one for me  
With your love by my side  
The world will be mine  
You're the one for me

You're the one !

You just don't know what you did to me  
But I'm not the same  
Since you gave me love  
That's sheltered from the rain  
I'm not the same

Busting up on a cloud, shout out loud  
You're the one for me  
With your love by my side  
The world will be mine  
You're the one for me

You're the one !

Busting up on a cloud, shout out loud  
You're the one for me  
With your love by my side  
The world will be mine  
You're the one for me

The one...
