In the great book of John You're warned of the day When you'll be laid Beneath the cold clay

The Angel of Death
Will come from the sky
And claim up your soul
When the time comes to die

When the Angel of Death Comes down after you Can you smile and say That you've been true

Can you truthfully say
With your dying breath
That you're ready to meet
The Angel of Death

When the lights all grow dim
And dark shadows creep
And all your loved ones
Are gathered to weep

Can you face them and say With your dying breath
That you're ready to meet
The Angel of Death

When the Angel of Death Comes down after you Can you smile and say That you've been true

Can you truthfully say
With your dying breath
That you're ready to meet
The Angel of Death

Are you ready to meet The Angel of Death
