

Christmas Train

Paul Kelly

Standing at the station
Waiting for the train to appear
I got a picture of my baby who left me
And a bag full of Christmas cheer

Come on, come on, come on, Christmas train
Come on, come on, come on, Christmas train

Sun gonna set on the station
And the hours are ticking away
I wrote a hundred times to Santa
But there's one more train today

Come on, come on, come on, Christmas train
Come on, come on, come on, Christmas train

Standing all alone at the station
Waiting for a light to appear
My baby stepped off the midnight train
With a bag full of Christmas cheer!

Come on, come on, come on, Christmas train
Come on, come on, come on, Christmas train
