

Don't Fence Me In

Paul Kelly

Oh, give me land, lots of land under starry skies above
Don't fence me in
Let me ride through the wide open country that I love
Don't fence me in

Let me be by myself in the evenin' breeze
And listen to the murmur of the cottonwood trees
Send me off forever but I ask you please
Don't fence me in

Just turn me loose, let me straddle my old saddle
Underneath the western skies
On my cayuse, let me wander over yonder
Till I see the mountains rise

I want to ride to the ridge where the West commences
And gaze at the moon till I lose my senses
And I can't look at hobbles and I can't stand fences
Don't fence me in

Just turn me loose, let me straddle my old saddle
Underneath the western skies
On my cayuse, let me wander over yonder
Till I see the mountains rise

Just turn me loose, let me straddle my old saddle
Underneath the western skies
On my cayuse, let me wander over yonder
Till I see the mountains rise

I want to ride to the ridge where the West commences
And gaze at the moon till I lose my senses
And I can't look at hobbles and I can't stand fences
Don't fence me in
