

Don't Give Up On Me

Paul Kelly

They came at night, I had to run
I left with just the gold and a gun

Don't give up on me, don't give up on me

My friends ahead are thinking twice
My friends behind have already paid the price

Don't give up on me, don't give up on me
The plans they made will set us free
If you only don't give up on me

I know the sleep of broken dreams
I know the taste of muddy streams
The ridges and the hollows are my home
I hear your voice in every place
And everywhere I see your face
I'm trying, I'm trying, I'm trying to find you
Don't give up on me

I heard you moved and changed your name
The more you change the more you stay the same

Don't give up on me, I won't give up on you
From the shadows we'll make history
If you only don't give up on me
Don't give up on me, I won't give up on you
The plans they made will set us free
If you only don't give up on me
