

I Won't Be Torn Apart

Paul Kelly

I guess it's common knowledge
There's quite a lot of mileage
In someone else's marriage
Oh baby, I won't be torn apart

You can chuck me out now
You can lock me out now
You can break my stuff but
Baby, I won't be torn apart

From a dream I've woken
And it just can't be spoken
What remains unbroken
Oh baby, I won't be torn apart
