

Shy Before You Lord

Paul Kelly

I'm so shy before you, Lord
I'm so shy before you, Lord
I'm just looking for a word
I'm just looking for a word
I'm so shy before you, Lord
Round here nothing ever stirred
Round here nothing ever stirred
I'm so shy before you, Lord
You were calling, I never heard
You were calling, I never heard
I'm so shy before you, Lord
