

## You're Learning

Paul Kelly

You are learning what it's like to sit and cry  
And wonder why your plans went wrong  
You are learning how it feels when pain is real  
To realise you're all alone  
Yes, you're learning  
We had the chance to be happy  
Nothing stood in our way  
If only you'd meant what you promised  
We wouldn't be crying today  
You are learning that a lie can make you cry  
For the truth your heart reveals  
You are learning that a flirt can cause a hurt  
Even though your love is real  
Yes, you're learning
