Dotdanbae

Paul Kim

Touch texture of sand
We're on the beach
Wind blowing silky smooth

Feet under water
Feeling so good
Holding you next to me

Collecting branches on the ground
Bind them all together tight
Make sure there's enough room for two

Paint a big, heart that you can see from far
They can say whatever shit
Let's take the wheel

Ooh oooooh ooh ooooh ooh yeah
Ooh oooooh ooh ooooh ooh

The weather might get rough rain turn into a storm
Surrounded by some monsters like some kinda game
Nights can last for days but I'll find you
True prize don't come easy
Worth more than my more than my pride
Rainbow floating use it as a bridge yeah we sailing it right

Sailing on a dotdanbae
Sailing on a dotdanbae
Yeah we made it dotdanbae
Yeah we on a dotdanbae yeah

Sailing on a dotdanbae
Sailing on a dotdanbae yeah
Yeah we made it dotdanbae
Yeah we on a dotdan dotdanbae

Sailing on a dotdanbae
Sailing on a dotdanbae
Yeah we made it dotdanbae
Yeah we on a dotdanbae yeah
