

Back in the Sunshine Again

Paul McCartney

Here we are,
Back in the sunshine again
No more worries,
No more pain

Well we're leaving behind, all our trouble and strife
That's the way it's gonna be, oh, the rest of my life

Well here we are, here we are, back in the sunshine again
No more worries, no more worries, no more pain, no more pain

Life's too short to spend it lonely, you only throw it away
Listen to your voice of reason, yeah call it a day, ay, ay, ay

Take a ride, take a ride, out to the land of the free
Don't hurry, take your time, take your time
Come spend it with me, oooh
Back in the sunshine (2x)

Here we are, back in the sunshine again
No more worries, no more worries, no more worries
And no more pain

Life's too short to spend it lonely, you only throw it away
Listen to your voice of reason, you call it a day, ay, ay, ay

Here we are, back in the sunshine again
No more worries, no more worries, and no more pain

Here we are, here we are, yeah we're back in the sunshine again
No more worries, oh no and no more pain

Why, why, we're back in the sunshine again
No more worry or pain
Yeah we're back in the sunshine again
