

# Hell To Pay

Paul McCartney

First you take me to the limit then expect me to stop  
You know I'm sick and tired of waiting for the penny to drop  
You make a living out of making people think you give it all away  
But you and I know very well  
There's always gonna be a price to pay

But times are tough  
And life is hard  
You've got enough  
And so you'll pardon me for saying

You've had it all your way  
You've got to know some day  
You'll have to share or there'll be hell to pay

There will be hell to pay  
There will be hell to pay  
There will be hell to pay  
There's gonna be hell to pay

First you take me to the limit then expect me to stop  
You know I'm sick and tired of waiting for the penny to drop  
You make a living out of making people think you give it all away  
But you and I know very well  
There's always gonna be a price to pay

But times are tough  
And life is hard  
You've got enough  
And so you'll pardon me for saying

You've had it all your way  
You've got to know some day  
You'll have to share or there'll be hell to pay

There will be hell to pay  
There's gonna be hell to pay  
There will be hell to pay  
There's gonna be hell to pay  
Yeah there will be hell to pay  
There's gonna be hell to pay

There's gonna be  
There's gonna be  
There's gonna be hell to pay  
There's gonna be  
There's gonna be  
Oh yeah there's gonna be hell to pay  
Gonna be hell to pay  
Oh yeah  
There's gonna be hell to pay  
There's gonna be hell to pay  
Yeah yeah yeah yeah
