

## Put It There

Paul McCartney

Give me your hand I'd like to shake it  
I want to show you I'm your friend.  
You'll understand if I can make it clear  
Its all that matters in the end.

Put it there if it weighs a ton,  
That's what the father said to his younger son.  
I don't care if it weighs a ton,  
As long as you and I are here, put it there.  
Long as you and I are here, put it there.

If there's a fight I'd like to fix it,  
I hate to see things go so wrong.  
The darkest night and all it's mixed emotions,  
Is getting lighter sing a song.

Put it there if it weighs a ton,  
That's what the father said to his younger son.  
I don't care if it weighs a ton,  
As long as you and I are here, put it there.  
Long as you and I are here, put it there.
