

# The Loveliest Thing

Paul McCartney

To me you are the loveliest thing I've seen all day  
You can't take that away  
No, you can't take that away  
All my life, I wondered why it couldn't be this way  
That was up until today  
Oh it had to be this way

Today, wait until the morning comes  
Before you slip away  
Without permission  
Without suspicion  
Without permission given

You seem to have a friendlier smile than all the rest  
Well I looked and you were best  
Yeah i've looked at all the rest  
You can't imagine passionate words that I would say  
If only you would stay  
Oh you know you gotta stay

Today, wait until the morning comes  
Before you slip away  
Without permission  
Without suspicion  
Without permission given

You used to be and early bird  
But how was I to know you would leave without shedding a tear  
I only want to love you  
I'll make a wish and suddenly I'm glad that I have you here  
Oh I'm glad I have you here  
Today

To me you are the loveliest thing I've seen all day  
And you can't take that away  
No, you can't take that away  
All my life, I wondered why it couldn't be this way  
That was up until today  
Yeah, it had to be this way

Today, wait until the morning comes  
Before you slip away, today  
Before you slip away  
Without permission  
Without suspicion  
Without permission given to you, ah
