

Come On

Paul McDonald

Yeah, you hold me like a cigarette and from the very first hit
You had me all choked up
You had me dizzy in my head
I hold you underneath my tongue
And show you off to everyone
But it's just a matter of time
Until the sun creeps up and the drugs are all gone

I can feel a hole in you
But baby there's a hole in me too
I'm looking for a late night fix to ease my mind
I'm sure that you could use one too
Yeah, I know it ain't love but it's better than being alone
So if you wanna come on, come on
(Come on, come on, come on)
If you wanna come on, come on
(Come on, come on, come on)

Yeah, now I'm wishing this would never end
Hold me tight last your past and don't ever forget it
Be the here and now because it's all we're ever going to get
And baby, let your feelings drown. Yeah, just let it all out
It's just a matter of time until the sun creeps up and the drugs have all run out

Yeah, I can feel a hole in you, but baby there's a hole in me too
I'm looking for a late night fix to ease my mind
I'm sure that you could use one too
I know it ain't love but it's better than being alone
So if you wanna come on, come on
(Come on, come on, come on)
If you wanna come on, come on
(Come on, come on, come on)

Yeah, if you wanna come on, come on
(Come on, come on, come on)
If you wanna come on, come on
(Come on, come on, come on)
Yeah, I can feel a hole in you
But baby there's a hole in my heart too
I'm just looking for a late night fix to ease my mind
I'm sure that you could use one too

Yeah, I can feel a hole in you
But baby there's a hole in me too
I'm looking for a late night fix to ease my mind
I'm sure that you could use one too

Yeah, I know it ain't love but it's better than being alone
Yeah, I know it's just lust, but it's better than sleeping alone
So if you wanna come on, come on
(Come on, come on, come on)
If you wanna come on, come on
(Come on, come on, come on)
(Come on, come on, come on) (yeah, yeah, yeah)
(Come on, come on, come on) (yeah, yeah, yeah)
