

# Dark Side

Paul McDonald

I've been up all night, getting drunk and stoned  
I feel so lost, I feel so alone  
What's the point?  
What's the point?

It just costs too much to be living this lie  
And I'm tired of being broke  
And I'm tired of being tired

I have thrown away so many days  
Pleasing the flesh and numbing the pain

Well, I want to be free, I want to be wild  
And I want to see through the eyes of a child  
And I want to shine on, and I want to shine bright  
So, so long, so long to the Dark Side

I spent all those years swearing I'd change  
I was wasting away, chasing all the wrong things  
I was drowning in it  
Lord knows I was drowning in it

And my mother always said, It ain't where you've been  
And the good Lord only cares where you're going next  
So I'm heading that way, off to find that saving grace  
And I'm building back every bridge that I burned  
And I'm taking with me every lesson I've learned

I want to be free, I want to be wild  
And I want to see through the eyes of a child  
And I want to shine on, and I want to shine bright  
So, so long, so long to the Dark Side

Well, I want to be free. I want to be wild  
And I want to see through the eyes of a child  
And I want to shine on, and I want to shine bright  
So, so long, so long to the Dark Side  
I'm saying so long, so long to the Dark Side  
So long, so long to the Dark Side

So long. So long. So long  
So long. So long. So long  
So long. So long. So long  
So long

So long. So long. So long  
So long. So long. So long  
So long
