

Don't Let Me Go

Paul McDonald

I watch you leave
I follow you around while you pack up all your things
You put your face on mine
It's hard to walk away
I want one last one more time

But I'll love you through this
I can reach through the dark
You strip me of my truth
Where you walk, i'll walk

You can't have me
But don't let me go
Don't let me go
Don't let me go

You can't have me
But don't let me go
Don't let me go
Don't let me go

Come out of this fire
It's burning me alive, the blame
I'll let it rest on me
I'll hold on to my wrongs
The walls you built are not keeping you from me

But I feel you through them
I can reach through the dark
You strip me of my truth
Where you walk, i'll walk

You can't have me
But don't let me go
Don't let me go
Don't let me go

You can't have me
But don't let me go
Don't let me go
Don't let me go

Broken minds find broken lives
I don't know you, but I know I need you (right now)
Broken minds (right now) find broken lives (right now)
I don't know you, but I know I need you right now.

You can't have me
But don't let me go
Don't let me go
Don't let me go

You can't have me
But don't let me go
Don't let me go
Don't let me go

You can't have me
But don't let me go
Don't let me go
Don't let me go

You can't have me.
I don't know you, but I know I need you right now.
