

Forgiveness

Paul McDonald

Stay or go, either way, you lose
I will go, either way, you choose
I could never hold you tight enough
So fly on to the blue sky
You are free as a dove

Forgiveness, don't let the past bind you
Turn that little light on
I pray that it finds you
And you will get it when you least expect it
Sweet forgiveness

One day, love won't break your heart
And meet you just right where you are
It won't ever have to be this hard
So fly on to the blue sky
You were free from the start

Forgiveness, don't let the past bind you
Turn that little light on
I pray that it finds you
And you will get it when you least expect it
Sweet forgiveness

And if you leave...
I ask one thing:
I hope you realize that I always want the best for you
But I always knew I could never get the rest of you
Into the blue
La la la la (aw aw aw)
La la la la (aw aw aw)

Forgiveness, don't let the past bind you
Turn that little light on
I pray that it finds you
And you will get it when you least expect it
Sweet forgiveness
Don't let the past bind you
Turn that little light on
I pray that it finds you
And you will get it when you least expect it
Sweet forgiveness
