

Forever and Ever Amen

Paul Overstreet

You may think that I'm talking foolish
You've heard that I'm wild & I'm free
You may wonder how I can promise you now
This love that I'm feeling for you always will be
You're not this time that I'm killing
I'm no longer one of those guys
As sure as I live this love that I give
Is gonna be yours till the day that I die -- Oh baby

I'm gonna love you forever, forever & ever amen
As long as old men sit & talk about the weather
As long as old women sit & talk about old men
If you wonder how long I'll be faithfull
I'll be happy to tell you again
I'm gonna love you forever & ever, forever & ever Amen

They say that time takes it's toll on a body
Makes the young girls brown hair turn grey

But honey, I don't care, I'm not in love with your hair
And if it all fell out well I'd love you anyway
They say that time can play tricks on a memory
And people forget things that they knew
But it's easy to see it's happening to me
I've already forgotten every woman but you --- Oh baby

I'm gonna love you forever, forever & ever amen
As long as old men sit & talk about the weather
As long as old women sit & talk about old men
If you wonder how long I'll be faithfull
I'll be happy to tell you again
I'm gonna love you forever & ever, forever & ever Amen

Just listen to how this song ends
I'm gonna love you forever & ever forever & ever
