

Call on Me

Paul Revere & The Raiders

Country girl so far from home
So afraid to be alone
Don't you worry, ease your mind
I'm not so very hard to find, you got to

Call my name
Just wait and see
I'll be there if you call on me

Valley deep, desert wide
Ain't no place that you can hide
Give a shout, that's the plan
I'll be there like superman, you got to

Call my name
Just wait and see
I'll be there if you call on me

Call my name
Just wait and see
I'll be there if you call on me

Everybody!
Hey la la, hey la la, hey la la la la la la
(And it's a)
Hey la la, hey la la, hey la la la la la la
Hey la la, hey la la, hey la la la la la la
(And it's a)
Hey la la, hey la la, hey la la la la la la
Hey la la, hey la la, hey la la la la la la
