

## Sometimes

Paul Revere & The Raiders

Sometimes I cry when I'm lonely  
Sometimes I cry when I'm blue  
Right now I'm cryin' 'cause I love you  
I'm cryin' 'cause you don't love me too

Come on and tell me that you love me  
Won't you please answer yes or no  
Tell me if I'm your one & only  
So I can either stay or go, wo oh

Tell me, my darlin', if you love me  
Now tell me if you feel the same

Tell me, my darlin', if you love me  
Or if all the tears I shed were shed in vain  
Oh tell me now

Sometimes I cry when I'm lonely  
Sometimes I cry when I'm blue  
Right now I'm cryin' 'cause I love you  
I'm cryin' 'cause you don't love me too

I'm cryin' 'cause you don't love me too...
