

## Wanting You

Paul Revere & The Raiders

When I touch your hand don't you understand?  
I've been wantin' you so long  
And how long can we wait? Girl, it seems so late  
I've been wantin' you so long

Girl, it seems like years  
Now, I can't hide my tears (So long)

When I sleep I find that I can't sleep 'cause you're on my mind  
I've been wantin' you so long  
I wake up and then, I think of you once again  
I've been wantin' you so long  
Girl, how long can this go on?  
You know I can't make it on my own (So long)

I don't think you understand, girl, the world's an awful lonely  
place today

And a man can't make it by himself, he needs a sweet woman like  
you  
Someone to, to hold his hand and touch his face, be waitin' the  
re at night  
And when he's walkin' down the long, lonely streets  
He knows he's gonna walk through that door and find his woman t  
here  
And a warm fire and warm bed, and he's gonna grab her in his ar  
ms  
He's gonna hold her, he's gonna love her  
He's gonna love her, gonna love her so hard, so hard, so hard,  
so hard  
Girl, that's what the world needs is love, yeah, love, love  
Love, girl, love, don't you know?  
I need and you need, we all need love, love, love, love, love,  
love  
Love, girl, love, love, love
