Wake Up Little Susie

Simon & Garfunkel

Wake up little suzie, wake up, wake up little suzie, wake up We both fell sound asleep, wake up little suzie and weep The movies over, it's four oclock and were in trouble deep

Wake up little suzie, wake up little suzie
Well, whatre we gonna tell your mama, whatre we gonna tell your
papa

Whatre gonna tell our friends when they say ooh la la Wake up little suzie, wake up little suzie

Well, I told your mama that you'd be in by ten Well, suzie baby, looks like we goofed again

Wake up little suzie, wake up little suzie, we gotta go home

Wake up little suzie, wake up, wake up little suzie, wake up The movie wasn't so hot, it didn't have much of a plot We fell asleep, our goose is cooked, our reputation is shot

Wake up little suzie, wake up little suzie
Well, whatre we gonna tell your mama, whatre we gonna tell your
papa

Whatre gonna tell our friends when they say ooh la la Wake up little suzie, wake up little suzie

Wake up little suzie
