

# Could It Be I'm Falling In Love

Paul Stanley

Since I met you, I've begun to feel so strange  
Every time I speak your name  
That's funny, you say that you  
Are so helpless too  
That you don't know what to do

Each night I pray there will never come a day  
When you up and take your love away  
Say you feel the same way too  
And I wonder what  
It is I feel for you

(Could it be I'm falling in love)  
With you, baby  
(Could it be I'm falling in love)  
Woo...  
(Could it be I'm falling in love)  
With you  
With you  
With you

I don't need all those things that used to bring me joy  
You've made me such a happy boy  
And honey, you'll always be  
The only one for me  
Meeting you was my destiny

You can be sure I will never let you down  
When you need me I'll be around  
And darling, you'll always be  
The only one for me  
Heaven made you specially

(Could it be I'm falling in love)  
With you, baby  
(Could it be I'm falling in love)  
I want to know now, baby  
(Could it be I'm falling in love)  
With you  
With you  
With you

And darling, you'll always be  
The only one for me  
Heaven made you specially

(Could it be I'm falling in love)  
With you, baby  
(Could it be I'm falling in love)  
Woo...  
(Could it be I'm falling in love)  
With you  
With you  
With you

I walk around with my heart in my hands, hey  
I walk the street as long as I can, baby

I used to sing fa fa fa fa  
But right now I feel so good, I sing la la la la  
Once you get me up, won't let me down  
Just let this feeling carry me on  
Skip the beats with my heart girl...
