

# Faithless Bring My Family Back

Paul van Dyk

I'm on lonely street, I'm on the wrong track.  
Only one thing left, somebody bring my family back.  
I'm on lonely street, I'm on the wrong track.  
Only one thing left, somebody bring my family back.  
Somebody bring my family back... [10x]  
I'm on lonely street, I'm on the wrong track.  
Only one thing left, somebody bring my family back.  
I'm on lonely street, I'm on the wrong track.  
Only one thing left, somebody bring my family back
