

# Get Back

Paul van Dyk

Back to you ....

Back to you, that's where I go  
When I'm so fed up,  
When I can't go on  
In your arms, ?  
When I'm awfully tired  
When I need love  
An I need love

It's 3 AM when I can hear you breathing  
No, I'm fast asleep  
No, I'm deeply dreaming  
In your arms, ?

When I'm awfully tired  
When I need love

Back to you ....

Back to you ....

Back to you, that's where I go  
When I'm so fed up,  
When I can't go on  
In your arms, ?  
When I'm awfully tired  
When I need love  
An I need love
