

Brain Freeze

Paul Wall

The ice up in my mouth cause brain freeze
Take the top off like a striptease
Start my car with my phone, I don't need keys
You think you fly as me, ha, man please
I'm just doing me stacking blue cheese
Ten turkey bags, one-sixty O-Zs
I'm talm 'bout a big strong, Hercules, Hercules
This ice up in my mouth cause brain freeze

I got hustle (Hustle) living in my head rent free (Free)
I wake up getting my cake up, pockets never empty (Never)
Toaster in my holster partna, don't attempt me (Don't do it)
I'm smoking Snoop Dogg, sippin' on Pimp C
Aw she back (She back), Aw she back (She back), Aw she back
I got change like a laundry mat (Mat), sick of being broke, hypochondriac
I'm on the grind 'cause I gotta get mine, when they talking down, I don't re
spond to that
I paid for mine, that's not a sponsored pack, and I'm all real, never not ca
lling the facts
Got flawless ice on every tooth (Tooth), stare too long it'll impair your vi
ew
Got a pair or two, that's quite a few, my drank cup is Sprite-infused
Connect the dots, catch the clues, test me, you 'bout to catch the blues
Smokin' bomb, better check the fuse, check them next fresh set of jewels

The ice up in my mouth cause brain freeze
Take the top off like a striptease
Start my car with my phone, I don't need keys
You think you fly as me, ha, man please

I got icebergs bussin' all over my bicuspid (What's that?)
Hand-set constructed, leave your eyesight obstructed (Obstructed)
And my style is custom (Custom), no need for adjustment (No adjustment)
18-carat gold flawless, honeycomb encrusted (Encrusted)
I'm a walking snow cone (Cone), deep freezer on my dome (Dome)
I got ice caps on my teeth (Teeth), plus my neck covered in stones (Stones)
In my zone mindin' my own (My own), I got a wrist that shine like chrome (Li
ke chrome)
My grill's collateral for a loan, when you address me, watch your tone (Watc
h it)
Styrofoam full of DJ Screw (Screw), backwood full of D-O-G (O-G)
Wake 'n' bake, gotta get that cake with extra icing majorly (Majorly)
Blue cheese, that's major need (Major need)
All-night grind, no late fatigue, I'm a real hustler of a rare breed (Rare)
My mouth is negative 12 degrees
